SOIL & VINEYARD

black earth with gravel
Lüss. planted in 2017

PRODUCTION

frozen harvested grapes in early January 2021 at -7C. immediate pressing of the frozen grapes. temperature controlled cool fermentation. aged in stainless steel

CHARACTER

It's a thrill. Year after year. But if it's done, it's just like a miracle.

Again very delicate and extravagant with an freshening acidity and long finish.

This wine is storable for many years.

ice, ice baby.
